---

*Be it enacted by the General Assembly of the State of Missouri, as follows:*

Section A. Chapter 194, RSMo, is amended by adding thereto one new section, to be known as section 194.275, to read as follows:

**194.275. When an anatomical gift of a vascular organ is made in Missouri to an organ procurement organization for transplantation purposes, the organ procurement organization shall use its best efforts to determine if there is a suitable recipient on a list at a transplant program in the state of Missouri, provided that the donor does not name a specific recipient and the vascular organ is deemed suitable for transplantation.**
